The service, 24 months

FOR	A MONTH
The first kitchen machine	Carries the venue: the design, the ordering, the platform \$2,000
Each machine after it	Shares the platform, so it adds half \$1,000
Each delivery or reception robot	In a kitchen package \$500

Included: the robots and ordering screen in your brand; install and one payment system; commissioning and two training sessions; monitoring, updates, quarterly checks, six-monthly servicing and covered repairs; support 8am to 6pm weekdays, Brisbane time.

***A month.** One machine or robot on its own: installed price over 24 months plus its service, before GST and finance charges. Installed within 100 km of an Australian port, about two months from order. Valid 30 days.

Quotes. Build one yourself at wonderrobotics / quote, or send the job to Gino: info@wonderbytech.com, 1800 983 404. Wonder Robotics, 365 St Pauls Terrace, Fortitude Valley QLD 4006.

The machine is where it starts.

The room, the brand and the counter are the rest, in a new venue or the one you have, priced once.

Design and build

WORK	WHAT IT IS	ONCE
Space design	Layout, finishes, lighting, joinery, renders, drawings to build from	\$14,500
Brand identity	The mark, colours, cups, bags, menu, signage, uniforms	\$8,500
Website	Designed and built in the brand, with the menu and ordering	\$6,500
Branding on the machine	Your colours on the arms and the body, for each machine	\$1,800
Counter and services	The counter or cell, power, water, drainage. From	\$18,000
Extraction	The hood and ducting over frying and noodle stoves	\$12,000

Add to the service

OPTION	WHAT IT IS	PRICE
Extended-hours support	Remote support on the hours you trade	\$500 a month
Another POS or payment system	Connected as well as the one included	\$2,000
An extra design round	A third round of revisions	\$500
An extra training session	Up to two hours, for a new shift or a new team	\$350

After 24 months

Keep the managed service

\$600 a month for a kitchen and \$250 for each further device. Cloud access, updates, remote support and a preventative visit a year.

Run it yourself

We hand over the configuration and the data. Call us when you need us, \$180 an hour, two hours minimum.

COME AND SEE IT

All four lines run downstairs at 365 St Pauls Terrace, six days a week.

Eat from the kitchen, order from the bar, watch the kiosk hand over a cone. Then tell us the job. Book a visit or call 1800 983 404.

Terms. Ex GST. Design and build indicative until we have seen the site. A 12 month supplier warranty on the machines, and our repair cover for the full 24 month service. Accessories, spares and showroom robots quoted. **Terms of sale.**

Wonder Robotics. 365 St Pauls Terrace, Fortitude Valley QLD 4006. info@wonderbytech.com. 1800 983 404. Floor hours 9 to 7, Monday to Friday, 10 to 5 Saturday.
